WASHINGTON PARK IS AN ASSURED SUCCESS

In the short period of time that Washington Park has been open for the burial of the dead, the remains of nearly two hundred persons lie sleeping peacefolly in this quiet, beautiful garden spot.

The great natural beauty of Washington Park is attracting many visitars. It has become a point of interest to visitors from other cities. We number amongst our lot owners residents of. Tennessee, Indiana, Kentucky and two in far off Spokane, Washington.

Last Sunday Mr. C. K. Robinson of this city, who is the Secretary of the Cemetery Association and a member of our Board of Trustees, came to the grounds with four visitors who live in Frankfort, Kentucky. He was showing them the many interesting points of our city and as part of his trip brought them to Washington Park. They were so deeply impressed with the great beauty of Washington Park and the noble purpose for which it has been dedicated that each became a lot owner; and it is most likely that when death enters into the mides of their loved ones, that the remains will be forwarded from far of Frankfort to lie peacefully in Washington Park.
